OSA-3337-64

14 JUL 1964

MEMORANDUM FOR: Chief, Development and Engineering Branch
TSD/DD/P

SUBJECT: Engineering Support

25X1A

It is requested that [REDACTED] TSD, accompany

25X1A

[REDACTED] of this office on a trip to OSA domestic field stations on or about 19 July 1964. The purpose of this three-day trip is to demonstrate a new survival weapon, evaluate a prototype holster for this weapon, discuss packaging and testing of other survival equipment, and survey the need for future development of special devices peculiar to OSA requirements.
